

SPEND FOR PEACE

Boycott U.S. Brands

We can help peace every time we go into a shop.
We can choose where to spend our money.
We can send a message to Bush and his band of bullies that is strong and clear and effective.

Join the Spend for Peace boycott now!
Choose for yourself and your family which brands to boycott.
Then tell them! Tell the retailers, the company's customer service line,
their head office. And tell the politicians as well.

Tell each other, spread the word. Let's all join together to send our message to the White House in language they will understand. We and the rest of the world will not tolerate U.S. domination and arrogance.

Buy U.S.A.? No way!
